

What Does 'Roku' Look Like After Crossing The Nullarbor With 'Davo' ?

After 29,590 kilometres, 'Roku', the well travelled Kawasaki 1400GTR ridden by long distance riding legend, 'Davo', could be in need of some new tyres after its recent crossing of The Nullarbor. Both 'Davo' & 'Roku' didn't skip a beat on their latest adventure. 'Davo' & 'Roku' are in training for the up coming Iron Butt Rally in the USA.
