HELP

Make a young boy's wish come true.

**ALL WE NEED IS YOU
& YOUR BIKE**

Saturday, July 19

Young Jayden is a very ill young boy with cancer and only has a few months left with us. He has expressed a wish to ride on the back of a Harley.

We have that covered.

Now we need to be surrounded by hundreds of bikes
Whose riders have big hearts.

With your help, we can make his wish come true.

The only thing we ask of you is your time and a full tank of petrol.
