

Where's Davo & Roku ?

Brisbane International Motor Show !

That's Where !

We're following long distance riding guru, David 'Davo' Jones and his Kawasaki 1400GTR, 'Roku' from one end of the country to the other as he prepares for the 'Iron Butt Rally' in the USA. An 11,000 miles in 11 days endurance riding event. If you haven't spotted him in your neighbourhood yet, you probably soon will !

Long distance Kawasaki riding legend, 'Davo' was kept busy at the Brisbane International Motor Show on 2-3 February as he talked with enthusiasts about his ever trusty 1400GTR 'Roku' (also in attendance). His appearance proved invaluable to the many long distance riding enthusiasts who turned up to see him and learn more about the Kawasaki 1400GTR
