

NOW EVERYBODY KNOWS WHERE DAVO IS

Davo has a new gadget that enables anybody and everybody to track his progress . . . as he rides Roku !

With the help of “Spot”(findmespot.com), Davo’s family and fans can jump online and via GPS tracking, know exactly where he is at any given time

Have a look at Davo & Roku’s ‘Spot’ trip log to the Ulysses AGM in Townsville in May at <http://jasonjonas.org/spot/tripViewer.do?id=12>

Where Will He Turn Up Next ?
