That's Where !

'Roku', fresh from a scheduled service and fit out of the newest factory options at Kawasaki HQ, is now on it's way up the Australian East Coast with who else but, Iron Butt Rally competitor in training, 'Davo' at the helm. They met up with visiting US long distance riders at Byron Bay, before all heading north, making an impression where ever they stopped along the way. 'Davo' & 'Roku' then continued on to Glen Innes, Tenterfield, Gatton, Esk and Cooroy with fellow 1400GTR rider, Mark McComb, visiting from NZ. They also popped in to Pro Kawasaki, Brisbane and Gatton Kawasaki along the way where they shared stories and info about the Kawasaki 1400GTR with staff and customers.
