

Where's Davo & Roku ?

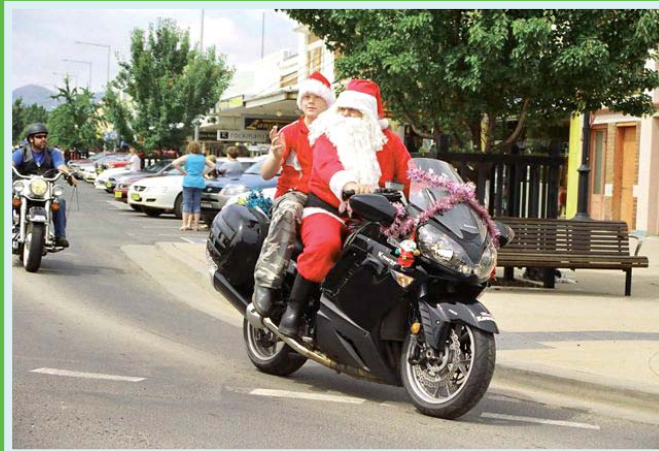

Mudgee Toy Run with Mudgee Motorcycles !

That's Where !

We're following long distance riding guru, David 'Davo' Jones and his Kawasaki 1400GTR, 'Roku' from one end of the country to the other as he prepares for the 'Iron Butt Rally' in the USA. An 11,000 miles in 11 days endurance riding event. If you haven't spotted him in your neighbourhood yet, you probably soon will !

On Saturday 8 December 2007, Davo & Roku supported the staff at Mudgee Motorcycles and took part in the annual Toy Run.

Where Will He Turn Up Next ?
